

HOME CARE PORTFOLIO

Our home is where we start our day and rest our heads at night. A clean, fresh home scented to create a relaxing mood is worth coming home to. IXOM's suite of brands and our Global Partners supply a broad range of quality ingredients for many in-home applications.

Our technical experts identify the optimal solution from our quality range of scent, functional, texturising and enriching ingredients, helping customers build and create successful brands that consumers enjoy every day.
