

HEALTH CARE PORTFOLIO

Every day consumers are looking for solutions to address their health care needs.

IXOM's suite of brands and our Global Partners supply a quality range of actives backed by science-based evidence that address current health concerns such as stress relief, ingestible beauty, sleep, anxiety, gut health and boost memory & cognition.

Our technical experts identify the optimal solution from our quality range of taste, functional, texturising and enriching ingredients, helping customers build and create successful brands that consumers enjoy every day.
