

AIR CARE PORTFOLIO

LET THE ROOM WEAR THE FRAGRANCE

With consumers becoming more conscious about their health and wellbeing, taking time out to relax is crucial to our modern-day lifestyle.

Candles, diffusers and room sprays create ambience and an uplifting sensorial environment to our home & workspaces which sets the mood and soothes the mind.

Our IXOM scent team specialises in trending, seasonal and mainstream scents with complimentary styles that drive excitement and consumer buy in for your brands dynamic personality.

Local perfumers create innovative, personalised signatures backed by manufacturing teams who provide superior service and value.
